TRIGGER 1 OF 9

POSITIVE EMAIL REPLY**LINKEDIN CONNECT**

Connection request from the sender, same day. The reply is the warmest moment the account will have; **one channel showing up wastes it.**

TRIGGER 2 OF 9

ANY EMAIL REPLY**PAUSE + RE-ROUTE**

Tag the record, pause the remaining email steps. A "not now" gets a LinkedIn touch **instead of email step four.**

SCREENSHOT THIS ONE

FROM A STANDING START, BUILD THESE FOUR FIRST.

1 • Positive reply → LinkedIn connect

3 • Post engager → email sequence

6 • Meeting booked → suppress everywhere

9 • Ad engagement → account list

every trigger writes to one CRM record • one record per human, or none of this works
